

# Willow Class Spring Term 2018

## Maths

DP Roman Numerals  
Using negative and positive integers  
Maths with Mr Evans

## Science

AQA Unit Award Scheme on the subject of Magnets and Electromagnets

## PSHE

We will be looking at Autism- what it is, and how to manage it for a happy and fulfilling life. We will also be starting RSE

## RE

We are working on a topic on Life and Death. We will be learning about what Hindus and Christians believe about the soul, and what happens to it when we die.

## Music

As this term's topic is travel and transport, we will be listening to and describing Jazz and Blues music on the theme of trains. We will also be working on rhythm.

## Humanities

Investigating how the Romans used transport to grow the Empire

## Computing

Using computer aided design to virtually construct building and objects

## Art/DT

Investigating Roman construction and machines- model bridges, chariots, boats, helmets and shields

## PE

Coordination  
Students to participate in activities which will improve their coordination.

## English

DP. Boudicca, research, presentation and reading sessions  
GH We are studying Shakespeare's Macbeth.

## Food Tech

Food on the move, food for journeys.
