Preparing for adult life

The [preparing for adult life](#) section of the SEND Local Offer has been designed for parent carers, so you can help your young person with SEND prepare for adult life.

This section focuses on young people in the time of transition - 14-25-years-old. But it is never too early to start this process and something that carries on however old they are. Topics include:

- Help to plan ahead
- Getting a job
- Leisure and community
- Finding somewhere to live
- Keeping healthy
- Travel
- Money

Each section has tips, resources and case studies from other families to help you prepare your young person for their adult life.

SEND Strategy update

The final Norfolk Area SEND Strategy for 2019–2022 has been published on the [SEND Local Offer](#).

[SEND Local Offer > About the SEND Local Offer > SEND Local policies and strategies]

A big thank you to everyone who helped co-produce the strategy, including representatives from: Family Voice Norfolk, Norfolk County Council, NHS – Great Yarmouth & Waveney Clinical Commissioning Group, Educate Norfolk and SEN Governance Network.

We are currently working on our self-evaluation framework and area action plan with stakeholders. Once complete, these will inform the annual refresh of the Area SEND Strategy.
