Dear Parent/Carers

Re: Impact of COVID19 on the running of the school

We do hope this finds you well.

We appreciate that it continues to be a difficult time for everybody. In view of the new restrictions with the most recent lockdown and the need for some of our staff, being advised to shield again this is beginning to have a significant impact on our staffing levels and making it difficult for us to staff the school adequately.

In view of this and with the staff and student safety and welfare being of most importance we are going to have to reduce our provision and move to a blended curriculum offering 4 days face to face schooling (Monday to Thursday) and Friday where we would require your child to complete their schooling from home. This will start on Monday 16th November and run until Friday 4th December. We will of course continue to review this and if staffing levels reduce further then we may have to consider further steps in partial opening.

Thank you for your support and understanding at this time.

Yours sincerely
