Autumn Term 2 2023-24

Fabulous first half term!

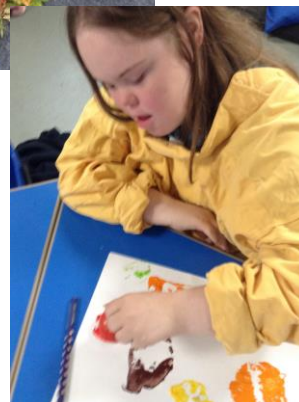

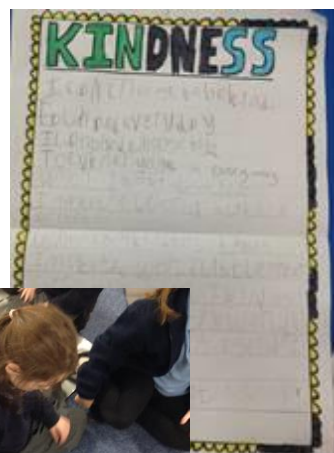

Everyone has settled really well back into school life and we have been very busy with our learning. In Maths we have been concentrating on learning all about those tricky teen numbers, place value and counting correctly. In Literacy, we have had a focus on Set 1 sounds in phonics and using these to blend and read simple words. Each child has a reading book at their level and reads at least twice a week to an adult. We also learned and wrote a poem about kindness which we then went and performed to Maple Class.

Our topic this half term has been all about fruit and vegetables. We've used our senses to taste, smell and touch them. Used fruits and vegetables to do some art work with and learned about where they grow.

Bowling trip
24th November

Looking ahead

Next half term our learning will be based around the theme of 'winter'. We have some exciting art projects planned as well as soon outdoor learning – we will be going outside in all weathers so please make sure your child has a coat and wellies in school. As part of this we will be celebrating Halloween by carving pumpkins and doing lots of fun Christmas activities. In Maths we will be continuing our learning on teen numbers and using addition and subtraction. In PE we will be learning how to shoot and pass in Basketball and working together as a team. At the moment we are not getting changed for PE but please ensure your child has a pair of trainers in school.
