## What we discussed!

### SCHOOL COUNCIL

Council Reps present: HH (Birch), HM (Chestnut), FW (Maple), DB (Acorns), JW (Olive), MR (Conkers)

**Poppy Appeal. This was a fantastic success for the whole school and the school council in particular.**

**In 2022 we raised £110.33 which was great, but this year we raised £170.85! An increase of over £60!**

**The enthusiasm, politeness and commitment of the school council reps who assisted with this undoubtedly helped get to this total.**

**Feedback/reflection on the event:**

DB – I loved to this. Price was about right.

MR – if we asked for too much more then some pupils might not be able to afford it.

JW – More chances to buy would be good. Maybe one in the morning and one

in the afternoon.

## SCHOOL COUNCIL

Council Reps present: HH (Birch), HM (Chestnut), FW (Maple), DB (Acorns), JW (Olive), MR (Conkers)

**School council helped with the selection of new staff by forming a pupil interview panel.**

**Pupils came from the different phases across the school and we aimed for those who didn't take part in the Poppy Appeal collections to be involved.**

Pupils selected from Lower Council were HH/HM & FW. Questions were shared and practiced.

Interviews took place on the 16/11/23.
