

Bay

Curriculum Map - Spring Term

2023-2024

English	RE	Art
Bay Class will continue to develop their phonic skills to be able to recognise more Set 1. They will be using their phonics knowledge to be able to blend and segment a growing number of words. During our literacy lessons we will be learning stories associated with the seasons.	In this half term we will be completing our AQA Award - Introduction to religious festivals. We will be learning about Easter and different symbols that are associated to Easter.	In Art we will be completing a AQA award in abstract art. We will be studying the famous artist 'Kadinsky', where we will learn about some of his famous pieces of abstract art. Bay Class will then produce our own version of abstract art, looking at lines and textures.
Mathematics	P.E.	Food Technology
Bay Class will continue to develop their number skills, including learning to add and subtract within numbers to 20. We will also be learning about measuring length and height using standard and non standard measurements.	Pupils will develop their skills in a variety of sports including badminton, volleyball, football and netball. They will also start practicing for the school cross country competition later in the term.	Pupils will continue to develop their cooking skills in a safe and hygienic manner whilst learning about the importance of nutrition and healthy eating. Recipes will include pasta dishes and baking as well as cultural and seasonal cuisine.
Design Technology	PSHE	Music
In DT we will be designing and making Easter Egg packaging that is appealing to a consumer. We will be conducting our own research and using this to help to design our own packaging.	In this half term we will be celebrating difference which will include lessons on Similarity & Difference, Bullying, Stereotyping, Racism, Discrimination and Celebrating Differences and Individuality.	In Music we will be working towards a AQA award in Musical Notation. By the end of the half term we will be able to follow and create a graphic score, be able to control at least 3 percussion instruments and be able to create a composition
Self help and Independence	RSHE	Outdoor Learning
Bay Class will be focussing on personal hygiene and answering the following questions - Why should I keep clean? How should I keep clean? What products do I use?	Bay Class will be focussing on personal hygiene and answering the following questions - Why should I keep clean? How should I keep clean? What products do I use? Periods, Erections and Masturbation	With the advent of spring, Pupils will look for signs of the changing of the season, including participating in the annual RSPB birdwatch, investigating how animals are changing their behaviours, and studying what plants and flowers are beginning to show signs of emerging.
