Summer Term 1 2023-24

Dates for your Diary:

Bank Holiday

Monday 6th May

Half Term

Monday 27th May -

Friday 31st May

General Class News:

Welcome back!

We cannot believe we are in our final term of the year.

A polite reminder to label your child's clothing with his/ her name.

We always do our best to return all your child's belongings at the end of the day, but sadly, this can be difficult if the belongings aren't labelled.

Thank you for your continued support, if you have any questions or concerns please contact our class team and we will be happy to help.

Ms Harty, Ms Parker and Miss Tebbutt.

Maths

We will be looking at measurements which includes length, height, capacity, mass and temperature. Throughout our learning we will use practical activities to help us not only in maths but with cooking too.

English

We will be looking at what different things are covered under the title 'media'. By the end of the topic we will be creating our own workpiece that we will share to each other using a method of media, this could be a newspaper article, films and so on. There is a film trailer shed and a music video shed in Literacy Shed, that might be useful. Please click on the link to explore <https://www.literacyshed.com/>

RSHE

We will be looking at the benefits of healthy eating and physical activity. We will be trying out a range of activities to experience the physical and mental health benefits and we will be looking at diets and how this affects our body.

Science

This term we will be looking at Electricity. We will learn how electricity is produced and what it's used for. We will be making our own electric circuits to see how electricity flows to turn a lightbulb on/off.

PE

This term we will be practising on our athletics skills in preparation for Sports Day. We will learn to master basic movements including running, jumping, throwing as well as developing balance, agility and coordination, and begin to apply these in a range of activities. We will also be trying out some footgolf.

Reminders

With the weather starting to get hotter please can you provide appropriate clothing for your child during outdoor activities. Please can you try to provide your child with a change of PE clothes with trainers as the children will be going outside more.

Tuesdays—PE kits suitable for indoor and outdoor learning.

Wednesdays—Outdoor learning—Hats, coats, gloves and wellies would be great please.

Fridays —Swimming , please ensure your child has swimming trunks, towel and goggles (if wanted).
