

Bay

Curriculum Map - SummerTerm

2023-2024

English	RE	Art
We will continue to teach phonics 4 days a week at an appropriate level using the RWI scheme. In our English lessons we will be exploring non fiction stories and poems related to our topic of 'Chocolate'. We will be learning to use and recognise rhyming words.	We will be continuing our learning on 'Religious Festivals' as part of our AQA Award and will be learning about Easter. We will be answering the question 'Why do Christians put a cross in an Easter garden?'.	Our topic for this half term is 'portraits'. We will be focussing on drawing faces using different medias. We will also be producing our self portraits using paper maiche. We will be looking at the work of some famous portraits artists, including Picasso.
Mathematics	P.E.	Food Technology
This half term our focus will be on learning to tell the time, we will be looking at reading the times on both analogue and digital clocks. We will also be spending a couple of weeks on measuring mass and capacity. We will also be recapping our number sense and place value - focussing on those tricky teen numbers.	Pupils will develop their skills in a variety of sports including badminton, volleyball, football and netball. They will also start practicing for the school cross country competition later in the term.	We will be continuing to focus on learning the 'basic skills' in the kitchen, including chopping, grating and mixing. We will be following recipes that include vegetables, including stuffed mushrooms and cauliflower cheese.
Understanding the world	PSHE	Music
Our topic for this half term is 'chocolate'. We will be learning how chocolate is made and the history of chocolate. We will be looking at some scenes from movie 'Charlie and the Chocolate Factory' and using this inspiration to design and make our own chocolate bars and packaging.	Bay Class will be learning about healthy eating and will be answering the following questions - What is a healthy diet? What does a well balanced diet consist of? What happens to our body when we have a poor diet? and what does my diet look like? We will also be looking at tooth decay and being sugar smart.	Our focus in Music for the next half term is called Stomp! Creating Music in unconventional ways, we will be creating rhythms, exploring movement, play collaboratively and exploring vocalisations
Self help and Independence	RSHE	Outdoor Learning
Bay Class will be focussing on Oral Hygiene and answering the following questions - Why do I clean my teeth? When do we brush our teeth? How do we brush our teeth? What foods/drinks cause tooth decay? Dentists – what happens when we visit a dentist.	In RSE this half term we will be focussing on learning about periods, erections and masturbation. This will be taught at an age/stage appropriate level.	We will be learning all about Spring and completing Spring activities based around - recognising animals, Insects, minibeasts and birds.
