Fri 15th March

Cromer Pier Show
Plastic Pirates -

Wed 20th
March

General Class News:

Welcome back.

This half term is a short half term and we have a lot of fun and exciting learning to fit in. This term alongside all key topics mentioned we will be learning the history of famous nurses Edith Cavell and Florence Nightingale and will be practising for the Plastic Pirates Cromer Pier Show.

Thank you for your continued support, if you have any questions or concerns please contact our class team and we will be happy to help.

Ms Harty, Ms Parker and Mr Schulz.

Maths

This term we will be covering addition to 20, multiplication and division. We will be learning by using a range of resources, activities and games. We will be focusing on equal groups, and the 2, 5 and 10 timetables. The link is a great tool to help children learn their timetables using games. <https://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

English

We will be looking at books from Literary Heritage. We will be comparing the stories to life now, and we will be doing this by using a range of materials such as books and movie clips. We will be first looking at Peter Pan, if you have a copy of the book or the film it would be great if you could watch/read or talk about the story to give them a insight.

RSHE

This half term we will be focusing more on how growing up changes the body. A consent form was sent out at the start of last term, but if you have any concerns regarding this please contact one of the staff members from Acorn's via email or telephone.

Science

We will be looking at light in physics of science. We will be looking to why we need light to look in the dark, look how light reflects by carrying out investigations with mirrors.

PE

Last term the children worked really hard on new skills and working on their time targets on cross country. A big Well Done to them all. This term we will continue to look at racket sports. The aim is to develop their teamwork skills.

Reminders

Please can you daily provide a healthy snack and a water bottle.

Thank you for your ensuring your child has the appropriate clothing for different activities please can this be continued.

Tuesdays—PE kits suitable for indoor and outdoor learning.

Wednesdays—Outdoor learning—Hats, coats, gloves and wellies would be great please.

Fridays —Swimming, please ensure your child has swimming trunks, towel and goggles (if wanted).
