3rd July

#### **Sports Day**

Tuesday 9th July

#### **Strandfest**

Friday 12th July

### General Class News:

We hope you had a lovely break. We cannot believe we are in our last half term before the end of the year. We have been so proud of what our Acorns have achieved this year and we hope that you have seen how much they have accomplished.

We would like to thank you for your continued support throughout the year.

Here's to a great last term and a happy, sunny summer!

As always, please contact Acorn's team any point with any questions or concerns you may have.

### Maths

This term we will continue to look at number, measurement and shape. The children will be working in small groups supported by an adult to help them with their learning. They will have the opportunity to learn through a range of practical activities to support their learning.

### English

This term the focus is on writing instructions. During this term we will explore different cultures around the world and write our instructions based on the stories that they have read, for example how to get to a place in a book or make something from the story.

## RSHE

As part of health and prevention we will learn about bad bacteria and the importance of personal hygiene. We will learn how to brush our teeth correctly, the importance of handwashing and eating healthy. Finally we will learn how to safely contact the emergency services to keep themselves and their families safe.

## Science

We will be learning about the five groups that scientists use to classify animals these are mammals, fish, birds, reptiles, and amphibians. We hope to plan a possible trip to learn more about one of these groups of animals.

## PE

With the summer fast approaching, PE this term will be focusing on athletic events, in preparation for sports day.

## Reminders

Please can you try to provide your child with a change of PE clothes with trainers as the children will be going outside more. We do have some spare clothing if needed but is limited.

**Tuesdays**—PE kits suitable for indoor and outdoor learning.

**Wednesdays**—Outdoor learning—Hats, coats, gloves and wellies would be great please.

**Fridays** —Swimming , please ensure your child has swimming trunks, towel and goggles.

## Other useful information

As the weather improves please can you send in a sun hat and sun screen (optional) to keep in class. Please can a label also be put onto their hat and sun screen to prevent any mix ups.
