Summer Term 2

Upcoming Diary Dates:

3rd July— Summer Fair
(after school)

8th –9th July Transition Days

10th July—Sport Day

18th July—Strandfest

General Class News:

For many of our pupils this will be their last term in Catkins and we will focus on our achievements this term and our next step in our learning journey. The year has gone so fast.

We are all enjoying having Pingu in class and watching him grow into an adult dog.

Maths

This term we will learn about fractions, time and money and continuing our focus on the four primary operations of addition, subtraction, multiplication and division.

It's half past three.

English

We will focus on writing a story developing our characters and begin to understand that a story has a beginning, middle and end.

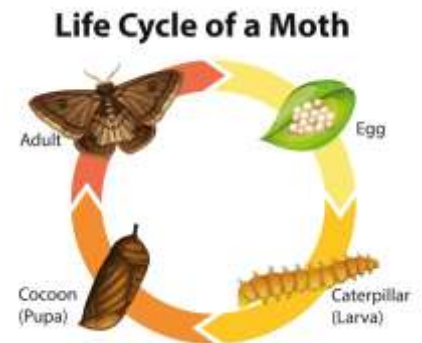

RSHE

This half term we will focus on our achievements this year and look at change and transitions. With a focus on how some change can be a good thing.

UTW

Our topic this half term is seaside and we will enjoy exploring the diverse range of creatures that live under the sea. Alongside this we will look at life cycles.

PE

In this term Catkins class will be learning the main skills needed in Cricket by practising their batting, bowling and fielding. Catkins will learn the techniques in how to throw and catch a Cricket ball. Catkins will also continue to practise for the events in Sports Day.

Other subjects:

Food technology - We will be making recipes with fruit .

Following the success of our previous trip to the Bure Valley Railway we are in the process of arranging a trip to Sheringham Park to learn about ponds and discover a range of creatures that live in the water. More details to follow.

Useful information

This term we will have a focus on transition and change as we learn about our classes in September. Some children will move to a new class and some will stay in Catkins. This information will be shared closer to the end of term.
