**MODEL WHOLE SCHOOL POLICY FOR SAFEGUARDING
INCORPORATING CHILD PROTECTION
Updated September 2026**

'Keeping Children Safe in Education', DfE (2026)

The model policy was revised in September 2026 to reflect the changes in national guidance as a consequence of the publication of revisions to *'Keeping Children Safe in Education'* on 1st September 2026. This guidance will become statutory on 1 September 2026 and all schools and colleges must have regard to it when carrying out their duties to safeguard and promote the welfare of children. Until 1 September 2027, schools and colleges must continue to use the current statutory guidance dated September 2026.

In accordance with the guidance, governing bodies and proprietors of independent schools and colleges should ensure that all staff and volunteers are aware of the new policy and are kept up to date as it is revised. The revised policy should continue to be made available publicly.

The following model policy is designed to provide a framework for your school's policy. It should be adapted to make it relevant to your setting and any particular local safeguarding issues you may be dealing with. School-specific information should be added e.g. information about the curriculum (including information about Relationships Education, Relationships and Sex Education and Health Education) and the school's monitoring and evaluation procedures.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **2** of **46**

Summary of changes – September 2026:

The model policy has been revised to reflect these changes to the statutory

guidance as outlined below.

Section	Changes
Throughout	All references to ' <i>Keeping Children Safe in Education</i> ' 2025, have been removed and replaced with reference to ' <i>Keeping Children Safe in Education</i> ' 2026.
2.6	Amended to twice daily.
2.6	Overview and breakdown of the new RSHE curriculum included.
2.8	Additional needs of children added to list regarding early help: pregnancy, housing instability, involvement in serious violence, kinship care arrangement, early signs of abusive behaviours.
3	New safeguarding governor listed
3.3	NGA recommends that all Governors read the full KCSIE Update annually.
3.4	At each PDBW committee meeting, the governing board will receive Safeguarding updates which may include recent training, staff attendance and discuss any training required for the school to further enhance safeguarding practices. Information on safeguarding activity, the safeguarding team, training and induction will also be shared. It will not identify individual pupils. The lead governor for safeguarding will hold at least termly safeguarding monitoring with the Lead DSL in addition to reviewing the Single Central Record (SCR) termly and updates from these will also be shared with the Governing body.
4.1	It specifies that all staff are now 'required to read' Part 1 of the KCSIE
5.6	Addresses how, 'medical conditions...do not automatically constitute a safeguarding issue' and depends on the 'context' of the incident.
5:12	To ensure an uninterrupted line of communication for safeguarding emergencies, the school operates a centralised, confidential safeguarding mailbox: dsl@sidestrandhall.net .
6.5	Emphasises that school staff 'understand the fact that most sexual abuse is by someone know to the victim'.
6.14	'Misogynistic language and behaviours, have been added to the list of indicators for child on child abuse.

6.16	It states how staff are trained to recognise child on child abuse 'behaviours early and act promptly'.
6:16	It also includes how staff are trained to be aware of, 'high risk times, including at the end of the school day, on transportation and time spent online during out of school hours'.
6.18 .	Clarifies, 'All child-on-child sexual abuse or harassment allegations will be handled in strict alignment with the latest <i>Working Together to Safeguard Children</i> framework'.
6.26	In an acute emergency (e.g., immediate risk of severe self harm or suicide), staff must bypass internal workflows to call 999 or escort the pupil directly to the nearest Accident & Emergency (A&E) department, informing the DSL simultaneously. For urgent but non-life-threatening mental health concerns, staff will contact 111 or local NHS crisis lines under the guidance of the DSL.
6.27	It clarifies, 'School staff are not in a position to diagnose', mental health conditions.
6.29	In line with statutory mandates, Sustrand Hall School operates as a mobile phone-free environment by default during the school day. Pupils are prohibited from using personal mobile phones, smartwatches, or recording devices on school premises between 8:40 and 15:10. Any deviations from this rule (e.g., for specific medical monitoring or accessibility needs) must be formally approved by the Headteacher and documented in the pupil's individual care plan.
6.31	The Governing Body will conduct and formally document an annual review of the school's filtering and monitoring systems. This review will verify that technical safeguards effectively block harmful content—including AI text and image generators—without unreasonably restricting pupils' access to educational material.

6.35	Sidestrand Hall School formally recognises Child and Adolescent to Parent Violence and Abuse (CAPVA)—also known as Child-to-Caregiver Abuse—as a distinct, complex safeguarding concern. The school acknowledges that CAPVA is rarely an isolated behavioral issue or the result of poor parenting; rather, it is frequently a manifestation of unmet needs, underlying neurodiversity, trauma, or mental health vulnerabilities within the child. The school is committed to a compassionate, non-blaming, and whole-family approach.
Section 6 – sub-heading amendment	‘and gender questioning’.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **4** of **46**

6.40	To ensure privacy, dignity, and safety, pupils are prohibited from entering toilets, changing rooms, or sleeping accommodation designated for the opposite biological sex. This restriction applies to all pupils, including those who are gender-questioning. The school provides separate, gender-neutral, single-occupancy facilities for any pupils requiring alternative arrangements.
6.41	Physical education and competitive sports will be organised to ensure safety and fairness. Where physical differences between biological sexes present a safety risk or create a significant competitive unfairness, activities will be restricted to single-sex groups based on biological sex , while ensuring all pupils retain equal access to sporting opportunities.

6.42	While Sidestrand Hall School is committed to providing a supportive and inclusive environment for all pupils, the school adopts a cautious and measured approach regarding requests for social transition. In alignment with national safeguarding principles and clinical guidance, the school recognises that childhood is a period of rapid development and that choices made at a young age can have significant long-term impacts. Therefore, the school will rarely agree to a full social transition (such as simultaneous changes to name, pronouns, uniform, and facility use). Instead, any requests will be considered on an exceptional, case-by-case basis. This process requires extensive consultation with parents or carers, school safeguarding leads, and, where appropriate, external medical or psychological professionals, ensuring that the primary focus always remains on the holistic well-being and long-term safeguarding of the child.
7.1	Reference to ensuring trainees follow the same safeguarding protocols as all staff; '(including trainees)'.
7.6	The sharing of information is recommended to assist other settings and agencies if it is 'relevant, focused and proportionate' to safeguard and support a young person. It is also required, 'when in receipt of information from other schools we will assess risk and create safety /support plans when pupils transfer'.
10.5	Disclosure and Barring Service checks for all staff 'including volunteers'.
11.3	'Risk assessments to be devised for any volunteers not in regulated activity'.
12.12	When third party agencies are involved, safeguarding responsibilities against supply/contracted staff will be shared, but the school will remain responsible for managing the process.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027

WHOLE SCHOOL POLICY FOR

SAFEGUARDING INCORPORATING CHILD PROTECTION SIDESTRAND HALL SCHOOL

Policy Consultation & Review

This policy is available on our school website and is available on request from the school office. We also inform parents and carers about this policy when their children join our school and through our school newsletter.

We recognise the expertise our staff build by undertaking safeguarding training and managing safeguarding concerns on a daily basis and we therefore invite staff to contribute to and shape this policy and associated safeguarding arrangements.

The policy is provided to all staff at induction alongside our Staff Code of Conduct, behaviour policy and the safeguarding response to those pupils who are absent from education. In addition, all staff are provided with Part One of the statutory guidance ['Keeping Children Safe in Education'](#), DfE (2026).

This policy will be reviewed in full by the Governing Board on an annual basis. This policy was last reviewed and agreed by the Governing Board as dated below.

It is due for review by **September 2027**

Signature:

Headteacher Date: 30/09/2026

Signature:

Chair of Governors Date: 30/09/2026

1. Purpose and Aims

1.1 The purpose of Sidestrand Hall School's Safeguarding policy is to ensure every child who is a registered pupil at our school is safe and protected from harm. This means we will always work to:

- Protect children and young people at our school from maltreatment; • Provide help and support to meet the needs of children as soon as problems emerge;
- Prevent impairment of our children's and young people's mental and physical health or development;
- Ensure that children and young people at our school grow up in circumstances consistent with the provision of safe and effective care; • Protect children from maltreatment, inside or outside the home, including online;
- Undertake that role so as to enable children and young people at our school to have the best outcomes.

1.2 This policy will give clear direction to all staff including supply staff, volunteers, visitors and parents about expected behaviour and our legal responsibility to safeguard and promote the welfare of all children at our school.

1.3 Our school fully recognises the contribution it can make to protect children from harm and supporting and promoting the welfare of all children who are registered pupils at our school. The elements of our policy are prevention, protection and support.

1.4 We recognise that our safeguarding responsibilities are clearly linked to our responsibilities for ensuring that appropriate safeguarding responses are in place for children who are absent from school or who go missing from education, particularly for prolonged periods and/or on repeat occasions. The Attendance Lead/Designated Safeguarding Lead to discuss all unexplainable and/or persistently absent pupils and those who go missing to identify the risk of abuse, neglect and exploitation to ensure that appropriate safeguarding responses have been put in place to reduce the risk of future harm.

1.5 This policy applies to all pupils, staff, parents, governors, volunteers and visitors.

2. Our Ethos

2.1 The child's welfare is of paramount importance. Our school will establish and maintain an ethos where pupils feel secure, are encouraged to talk, are listened to and are safe. Children at our school will be able to talk freely to any member of staff at our school if they are worried or concerned about something. All staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment.

2.2 Everyone who comes into contact with children and their families has a role to play in safeguarding children. We recognise that staff at our school play a particularly important role as they are in a position to identify concerns early and provide help for children to prevent concerns from escalating. **All staff are advised to maintain an attitude of 'it could happen here' where safeguarding is concerned.** When concerned about the welfare of a child, staff members must always act in the **best interests** of the child.

2.3 At Sustrand Hall School we ensure that safeguarding and child protection is at the forefront and underpin all relevant aspects of process and policy development. All staff operate with the best interests of the child at their heart.

2.4 Where there is a safeguarding concern, the child's wishes and feelings are taken into account when determining what action to take and what services to provide. The systems we have in place are well promoted, easily understood and easily accessible for children to confidently report abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

2.5 All staff and regular visitors will, through training and induction, know how to recognise indicators of concern, how to respond to a disclosure from a child and how to record and report this information. We will not make promises to any child and we will not keep secrets. Every child will know what the adult will have to do with any information they have chosen to disclose. All staff will be trained to recognise that children may not feel ready or know how to tell someone that they are being abused, exploited, or neglected, and/or they may not recognise their experiences as harmful.

2.6 Throughout our broad and balanced curriculum, we will provide activities and opportunities for children to develop the knowledge, values and skills they need to identify risks, including knowing when and how to ask for help for themselves and others to stay safe (this includes online). The Relationships Education, Relationships and Sex Education and Health Education (delivered in regularly timetabled lessons and reinforced throughout the whole curriculum) will cover relevant topics in an age and stage appropriate way,

enabling pupils to learn about their rights and responsibilities to behave and stay safe in a variety of contexts on and offline. This will provide further reinforcement to help children identify risks, know when to seek support and develop the skills to ask for help from trustworthy, reliable sources. (Due to the nature of our setting the curriculum is developed and updated in line with the current needs and abilities of the cohorts needs and abilities).

There are many areas of the curriculum where safeguarding is addressed. We achieve this by:

Twice daily, pupils meet with their tutor where they are able to discuss current affairs/beliefs/British Values and concerns.

Safeguarding is more explicitly taught through the RSHE Curriculum, all children receive weekly RSHE lessons. The curriculum is based on the scheme Life Lessons which is designed to enable content to be taught to a wide range of abilities and adapted to take Special Educational Needs into account.

Work is age and stage appropriate and is organised as follows:

Autumn 1 - Relationships:

Families and people who care for me
Caring friendships
Respectful, kind relationships
Respectful Relationships

Autumn 2 - Health (including financial):

Being safe
Physical health and fitness
Healthy eating
Drugs, alcohol, tobacco and vaping
Health protection and prevention
Basic first aid

Spring 1 - Independence (incl. digital):

Online safety and awareness
Being safe
Online safety and harms

Online and media

Personal safety

Spring 2 - Wellbeing:

Being safe
General Wellbeing
Mental wellbeing

Summer 1 - Body

Awareness: Being safe
Sex education (Sex education is not compulsory, but the advice is to teach it in line with the Science Curriculum)
Developing bodies
Intimate and sexual relationships, including sexual health

Summer 2 - Identity &

Community: Respectful, kind relationships
Health protection and prevention
Personal safety
Online safety

This is also supported and helps embed knowledge through our Assembly Programme which supports areas of **SMSC**. Additional Assemblies can be scheduled when needs arise.

Further information can be found in the DfE guidance '[Teaching online safety in school](#)' and '[Relationships Education, Relationships and Sex Education and Health Education](#)'. This education is underpinned by the school's behaviour policy and pastoral support system.

2.7 At all times we will work in partnership and endeavour to establish effective working relationships with parents, carers and colleagues from other agencies in line with [Working Together to Safeguard Children \(2026\)](#) and the [Norfolk Multi Agency Safeguarding Partnership arrangements](#).

2.8 As part of our responsibilities for safeguarding and promoting the welfare of children, we will provide a co-ordinated offer of early help when additional needs of children are identified. These may include if a child:

- is disabled and has specific additional needs;

- has special educational needs (whether or not they have a statutory education, health and care plan);
- has a mental health need;
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- has experienced multiple suspensions, is at risk of being permanently excluded from school, 6th form, alternative provision or a pupil referral unit;
- is frequently missing/goes missing from care or from home; • is misusing drugs or alcohol themselves;
- is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse; • has returned home to their family from care;
- **is at risk of housing instability**
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is at risk of 'honour'-based abuse such as Female Genital Mutilation or Forced Marriage;
- **If the young person is pregnant,**

- is a privately fostered child or in a kinship care arrangement
- has a family member in prison, or is affected by parental offending
- is showing early signs of abusive or violent behaviour
- is or has been involved/exposed to community-based serious violence;
- is persistently absent from education, including persistent absences for part of the school day.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 10 of 46

2.9 At Sidestrand Hall School we understand the importance of working in a way that adheres to the following legislation:

- The Human Rights Act 1998
- Equality Act 2010
- Public Sector Equality Duty

This means we do not unlawfully discriminate against pupils or staff because of their sex, race, disability, religion or belief, gender reassignment, pregnancy and maternity, or sexual orientation (protected characteristics).

3. Roles and responsibilities

Role	Name	Contact details
Designated Safeguarding Lead (DSL)	Michael Kelly	mkelly@sidestrandhall.net
Mental Health Lead	Paul Nerney	pnerney@sidestrandhall.net
Deputy DSL	Diana Chadfield	dchadfield@sidestrandhall.net
Headteacher	Shelley Taylor	head@sidestrandhall.norfolk.sch.uk
Named Safeguarding Governor	Angela Wrighton	chairofgovernors@sidestrandhall.norfolk.sch.uk
Chair of Governors	Angela Wrighton	chairofgovernors@sidestrandhall.norfolk.sch.uk

3.1 It is the responsibility of **every** member of staff, volunteer and regular visitor to our school to ensure that they carry out the requirements of this

policy and, at all times, work in a way that will safeguard and promote the welfare of all of the pupils at this school. This includes the responsibility to provide a safe environment in which children can learn.

The Governing Board

3.2 The Governing Board of Sidestrand Hall School is accountable for ensuring the effectiveness of this policy and our compliance with it. Although our Governing Body takes collective responsibility to safeguard and promote the welfare of our pupils, we also have a named governor who champions safeguarding within the school.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 11 of 46

3.3 The Governing Board will ensure that:

- The safeguarding policy is in place, is reviewed annually, is available publicly via our school website and has been written in line with Local Authority guidance and the requirements of the Norfolk Safeguarding Children Partnership policies and procedures;
- The school contributes to inter-agency working in line with Working Together to Safeguard Children (2026);
- A senior member of staff from leadership team is designated to take the lead responsibility for safeguarding and child protection and that there is at least one deputy DSL(s) who is appropriately trained member to deal with any issues in the absence of the Designated Safeguarding Lead (DSL). There will always be cover for this role. The role will be evidenced explicitly in the role holder's job description.
- All staff receive a safeguarding induction and are provided with a copy of this policy, the staff code of conduct, the behaviour policy and the school's safeguarding response for those pupils who are absent from education as detailed in section 6 of this policy.
- All staff undertake appropriate child protection training that is updated annually and online safety training;
- In terms of filtering and monitoring there is consideration to the number of and age range of children, those who are potentially at greater risk of harm and how often they access the IT system along with the proportionality of costs versus safeguarding risks.
- Procedures are in place for dealing with allegations against members of staff and volunteers in line with statutory guidance;
- Safer recruitment practices are followed in accordance with the

requirements of ['Keeping Children Safe in Education'](#) DfE (2026);

- All Governors will be required to read the full KCSIE updates annually to support the recommendation by the NGA;
- They remedy without delay any weakness in regard to our safeguarding arrangements that are brought to their attention.

3.4 At each PDBW committee meeting, the governing board will receive Safeguarding updates which may include recent training, staff attendance and discuss any training required for the school to further enhance safeguarding

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 12 of 46

practices. Information on safeguarding activity, the safeguarding team, training and induction will also be shared. It will not identify individual pupils. The lead governor for safeguarding will hold at least termly safeguarding monitoring with the Lead DSL in addition to reviewing the Single Central Record (SCR) termly and updates from these will also be shared with the Governing body.

The Headteacher

- 3.5 At Sidestrand Hall School the Headteacher is responsible for:
- Identifying a senior member of staff from leadership team to be the Designated Safeguarding Lead (DSL);
 - Identifying alternate members of staff to act as the Designated Safeguarding Lead (DSL) in his/her absence to ensure there is always cover for the role;
 - Ensuring that the policies and procedures adopted by the governing body, particularly concerning referrals of cases of suspected abuse and neglect, are followed by all staff;
 - Ensuring that all staff and volunteers feel able to raise concerns about poor or unsafe practice and such concerns are addressed sensitively in accordance with agreed whistle-blowing procedures;
 - Liaise with the LADO in the event of an allegation of abuse being made against a member of staff or volunteer.

The Designated Safeguarding Lead (DSL)

3.6 The Designated Safeguarding Lead is a senior member of staff, from the leadership team who takes lead responsibility for safeguarding and child protection within our school. The DSL will carry out their role in accordance with the responsibilities outlined in Annex C of ['Keeping Children Safe in Education'](#) (2026).

3.7 The DSL will provide advice and support to other staff on child welfare and

child protection matters. Any concern for a child's safety or welfare will be recorded in writing and given to the DSL.

3.8 During term time, the designated safeguarding lead and/or a deputy will always be available (during school or college hours) for staff in the school or college to discuss any safeguarding concerns. If in *exceptional* circumstances, a DSL is not available on the school site in person, we will ensure that they are available via telephone and/or any other relevant media.

3.9 The DSL at Sidestrand Hall School will represent our school at child protection conferences and core group meetings. Through appropriate training, knowledge and experience our DSL will liaise with Children's Services and other agencies where necessary, and make referrals of

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 13 of 46

suspected abuse to Children's Services, take part in strategy discussions and other interagency meetings and contribute to the assessment of children.

3.10 The DSL will maintain records and child protection files ensuring that they are kept confidential and stored securely (see section 7 for more information.)

3.11 The DSL is responsible for ensuring that all staff members and volunteers are aware of our policy and the procedure they need to follow. They will ensure that all staff, volunteers and regular visitors have received appropriate child protection information during induction and have been trained within the school to the agreed school's [safeguarding training package](#) provided by Children's Services.

3.12 The DSL will obtain details of the Local Authority Personal Advisor appointed to guide and support a child who is a care leaver.

3.13 The DSL(s) will work with the Headteacher and senior leaders, taking lead responsibility for promoting educational outcomes by knowing the welfare, safeguarding and child protection issues that children in need are experiencing, or have experienced, and identifying the impact that these issues might be having on children's attendance, engagement and achievement.

3.14 This will include understanding their academic progress and attainment and maintaining a culture of high aspirations for this cohort and supporting teaching staff to provide additional academic support or reasonable adjustments to help children who have or have had a social worker reach their potential.

3.15 We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm, as well as educationally disadvantaged

in facing barriers to attendance, learning, behaviour, and mental health. The DSL will use the information that they hold about children with a social worker to make decisions in the best interests of the child's safety, welfare and help promote educational outcomes. The DSL will ensure that staff, know who these children are, understand their academic progress and attainment and maintain a culture of high aspirations for this cohort; supporting teaching staff to identify the challenges that children in this group might face and the additional academic support and adjustments that they could make to best support these children.

3.16 The DSL will take the lead responsibility for understanding the filtering and monitoring systems and processes in place at the school.

4. Training & induction

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 14 of 46

4.1 When new staff join our school they will be informed of the safeguarding arrangements in place. They will be given a copy of, **and are required to read**, our school's safeguarding policy along with the staff code of conduct, Part one of '*Keeping Children Safe in Education*' (2026) and told who our Designated Safeguarding Lead (DSL) and Deputy DSLs are. They will also receive a copy of the behaviour policy and the school's response to children who are absent from education – this information is included in section 6 of this policy. They will also be provided with information about how to record and report safeguarding concerns.

The School uses CPOMS to report concerns and record actions. All new staff will be provided with log in details and training on the use of CPOMS.

4.2 Every new member of staff or volunteer will receive a briefing on safeguarding procedures on **the first day of employment**. They will be provided with Log in details to access full safeguarding training on National College and will be expected to complete this during their induction period within **2 weeks** of joining the school. This programme will include information relating to signs and symptoms of abuse, how to manage a disclosure from a child (including reassuring victims that they are being taken seriously and that they will be supported and kept safe), how to record, the processes for referral to Children's Services and the statutory assessments under Section 17 and Section 47 as well as the remit of the role of the Designated Safeguarding Lead (DSL). The training will also include information about whistleblowing in respect of concerns about another adult's behaviour and suitability to work with children. Staff will also receive online safety training, including understanding the expectations, applicable roles, and responsibilities in relation to filtering and monitoring as this is part of the overarching safeguarding approach of our school.

4.3 In addition to the safeguarding induction, we will ensure that mechanisms

are in place to assist staff to understand and discharge their role and responsibilities as set out in Part one of '*Keeping Children Safe in Education*' 2026. In order to achieve this, we will ensure that:

- all members of staff will undertake appropriate safeguarding training on an annual basis and we will evaluate the impact of this training;
- all staff members receive regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively;
- At least termly updates to Staff related to Safeguarding

4.4 All regular visitors, temporary staff and volunteers to our school will be given a set of our safeguarding procedures; they will be informed of whom our DSL and alternate staff members are and what the recording and reporting system is. (See Appendix 2).

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **15** of **46**

All visitors receive a tri-fold leaflet on arrival and are informed of the DSL on duty. To report any concern, talk to the designated persons in charge of Safeguarding at the school or contact other agencies listed on the Safeguarding Leaflet issued by Reception.

4.5 The DSL, the alternate designated member(s) of staff and any other senior member of staff who may be in a position of making referrals or attending child protection conferences or core groups will attend one of the multi-agency training courses organised by Norfolk Safeguarding Children's Partnership at least once every three years. The DSL and alternate will attend Designated Safeguarding Lead (DSL) training provided by the Local Authority every two years. In addition to formal training, DSL will ensure that they update their knowledge and skills at regular intervals, but at least annually, to keep up with any developments relevant to their role.

The lead DSL meets with Phase Leaders on at least a monthly basis to disseminate information and review cases.

The Lead DSL meets with residential managers weekly.

Half termly DSL casework meetings.

DSLs have access to Local Authority update bulletins via E Courier and access to additional training and multi-agency training.

4.6 Our governing body will also undertake appropriate training to equip them with the knowledge to provide strategic challenge to test and assure themselves that the safeguarding policies and procedures in place are effective and support the delivery of a robust whole school approach to safeguarding. This training takes place at induction and is updated regularly. Training for Governors to support them in their safeguarding role is available from [Norfolk Governor Services](#).

4.7 We actively encourage all of our staff to keep up to date with the most recent local and national safeguarding advice and guidance, Annex B of 'Keeping Children Safe in Education' (2026) provides links to guidance on specific safeguarding issues such as Child Exploitation and Female Genital Mutilation. In addition, local guidance can be accessed via Norfolk Safeguarding Children Partnership and within the [Safeguarding Section](#) of the [Norfolk Schools and Learning Providers website](#).

5. Procedures for managing concerns

5.1 Sidestrand Hall School adheres to child protection procedures that have been agreed locally through the Norfolk Safeguarding Children Partnership. Where we identify children and families in need of support, we will carry out our responsibilities in accordance with [Norfolk Local Assessment Protocol](#) and the [Norfolk Threshold Guidance](#).

5.2 Every member of staff including volunteers working with children at our school are advised to maintain an attitude of '*it could happen here*' where

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 16 of 46

safeguarding is concerned. When concerned about the welfare of a child, staff members should always act in the interests of the child and have a responsibility to take action as outlined in this policy.

5.3 All staff are encouraged to report any concerns that they have and not see these as insignificant. On occasions, a referral is justified by a single incident such as an injury or disclosure of abuse. More often however, concerns accumulate over a period of time and are evidenced by building up a picture of harm over time; this is particularly true in cases of emotional abuse and neglect. In these circumstances, it is crucial that staff record and pass on concerns in accordance with this policy immediately to allow the DSL to build up a picture and access support for the child at the earliest opportunity. A reliance on memory without accurate and contemporaneous records of concern could lead to a failure to protect.

5.4 It is *not* the responsibility of school staff to investigate welfare concerns or determine the truth of any disclosure or allegation. All staff, however, have a duty to recognise concerns and pass the information on in accordance with the procedures outlined in this policy.

5.5 The Designated Safeguarding Lead (DSL) should be used as a first point of contact for concerns and queries regarding any safeguarding concern in our school. Any member of staff or visitor to the school who receives a disclosure of abuse or suspects that a child is at risk of harm must report it immediately to the DSL or, if unavailable, to the alternate designated person. In the absence of either of the above, the matter should be brought to the attention of the most senior member of staff.

5.6 All concerns about a child or young person should be reported without delay and recorded in writing using the CPOMS system.

Records should include:

- a clear and comprehensive summary of the concern
- details of how the concern was followed up and resolved
- a note of any action taken, decisions reached and the outcome
- keep a record of the rationale for any decisions made.

The Lead DSL should be alerted in person where there is a visible injury to a child/young person.

Medical conditions, injuries, or severe allergic reactions do not automatically constitute a safeguarding issue. A formal safeguarding referral will only be made if the incident or context provides reasonable grounds to suspect that the child's condition is being exacerbated by **neglect, abuse, or exploitation**.

For those visiting the school, and without access to CPOMS, they will be alerted to paper copies that are available for them to record any concerns and these would be passed directly to a DSL. These would then be logged on the system by the DSL with the appropriate actions.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 17 of 46

5.7 Following receipt of any information raising concern, the DSL will consider what action to take and seek advice from the Norfolk Children's Advice & Duty Service (CADS) as required. All information and actions taken, including the reasons for any decisions made, will be fully documented.

5.8 All referrals will be made in line with Norfolk Children's Services procedures as outlined in Appendix 3.

5.9 If, at any point, there is a risk of immediate serious harm to a child a referral should be made to Norfolk CADS immediately. Anybody can make a referral in these circumstances. If the child's situation does not appear to be improving the staff member with concerns should press for re-consideration by raising concerns again with the DSL and/or the Headteacher. Concerns should always lead to help for the child at some point.

5.10 Staff should always follow the reporting procedures outlined in this policy in the first instance. However, they may also share information directly with Norfolk CADS, or the police if:

- the situation is an emergency and the designated senior person, their alternate and the Headteacher are all unavailable;
- they are convinced that a direct report is the only way to ensure the pupil's safety.

5.11 Any member of staff who does not feel that concerns about a child have been responded to appropriately and in accordance with the procedures outlined in this policy should raise their concerns with the Head teacher or the Chair of Governors. If any member of staff does not feel the situation has been addressed appropriately at this point should contact Norfolk CADS directly with their concerns.

5.12 To ensure an uninterrupted line of communication for safeguarding emergencies, the school operates a centralised, confidential safeguarding mailbox: dsl@sidestrandhall.net. This mailbox is monitored continuously during school hours and holiday periods by the Designated Safeguarding Lead (DSL) and Deputy DSLs. If the primary DSL is off-site or unavailable, a designated Deputy DSL will assume full operational responsibility immediately.

6. Specific safeguarding issues

Contextual safeguarding

6.1 At Sidestrand Hall School we recognise that safeguarding incidents and/or behaviours can be associated with factors outside of the school environment and/or can occur between children outside of the school. This is known as contextual safeguarding. It is key that all school staff understand the definition

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 18 of 46

of contextual safeguarding and consider whether children are at risk of abuse or exploitation in situations outside their families. Through training we will ensure that staff and volunteers are aware that extra-familial harms take a variety of different forms and children can be vulnerable to multiple harms including (but not limited to) sexual exploitation, criminal exploitation, and serious youth violence. When reporting concerns, staff should include as much information and background detail as possible so the DSL can make a referral with a holistic view of the child. This will allow any assessment to consider all the available evidence and the full context of any abuse.

6.2 We recognise that children with special educational needs and/or disabilities (SEND) can face additional safeguarding challenges and these are discussed in staff training. These additional barriers can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- children with SEN and disabilities can be disproportionately impacted by things like bullying- without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

6.3 At Sidestrand Hall School we recognise that a previously looked after child potentially remains vulnerable and all staff should have the skills, knowledge and understanding to keep previously looked after children safe. When dealing with looked after children and previously looked after children, it is important that all agencies work together, and prompt action is taken when

necessary to safeguard these children, who are a particularly vulnerable group.

Child Sexual Exploitation (CSE), Child Criminal Exploitation (CCE): County Lines and serious violence

6.4 At Sidestrand Hall School we train staff to recognise that both CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, sexual identity, cognitive ability, physical strength, status, and access to economic or other resources. Victims can be exploited even when activity appears consensual and it should be noted exploitation as well as being physical can be facilitated and/or take place online.

6.5 At Sidestrand Hall School we recognise that Child Sexual Exploitation is a form of child sexual abuse and this imbalance of power coerces, manipulates or deceives a child or young person into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator. Child sexual exploitation does not always include physical contact, it can also occur through the use of technology. We understand that some children may not realise they are being exploited e.g.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 19 of 46

they may believe they are in a genuine romantic relationship. As a school we understand the fact that most sexual abuse is by someone known to the victim.

6.6 At Sidestrand Hall School we understand that criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity. Drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs.

6.7 We understand that children can become trapped by this type of exploitation as perpetrators can threaten victims (and their families) with violence or entrap and coerce them into debt. They may be coerced into carrying weapons such as knives or begin to carry a knife for a sense of protection from harm from others. We will treat these children as victims understanding that they have been criminally exploited even if the activity appears to be something they have agreed or consented to. We recognise the experience of girls who are criminally exploited can be very different to that of boys and that both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

6.8 At Sidestrand Hall School staff are aware of the indicators and risk factors which may signal a child is vulnerable to or involved with serious violent crime. We make reference to the Home Office's [Preventing youth violence and gang involvement](#) and [Criminal exploitation of children and vulnerable adults: county lines](#) guidance for more information.

6.9 If a child is suspected to be at risk of or involved in county lines, a referral to the Children's Advice and Duty Service (CADS) will be made alongside consideration of availability of local services/third sector providers who offer support to victims of county lines exploitation.

So-called 'honour-based violence (including Female Genital Mutilation and Forced Marriage)

6.10 At Sidestrand Hall School we recognise that our staff are well placed to identify concerns and take action to prevent children from becoming victims of Female Genital Mutilation (FGM) and other forms of so-called 'honour-based' violence (HBV) and provide guidance on these issues through our safeguarding training. If staff have a concern regarding a child that might be at risk of HBV, they should inform the DSL who will activate local safeguarding procedures, using existing national and local protocols for multiagency liaison with police and children's social care.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 20 of 46

6.11 Where FGM has taken place, since 31 October 2015 there has been a mandatory reporting duty placed on teachers. [Section 5B of the Female Genital Mutilation Act 2003](#) (as inserted by section 74 of the Serious Crime Act 2015) places a statutory duty upon teachers in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. We will provide guidance and support to our teachers on this requirement and further information on when and how to make a report can be found in the following Home Office guidance: [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (January 2020)

6.12 At Sidestrand Hall School we recognise that forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological. Since February 2023 it has also been a crime to carry out any conduct whose purpose is to cause a child to marry before their eighteenth birthday, even if violence, threats or another form of coercion are not used. The Forced Marriage Unit has [statutory guidance](#) and [Multi-agency guidelines](#) and can be

contacted for advice or more information: Contact 020 7008 0151 or email fm@fco.gov.uk

Preventing radicalisation and extremism

6.13 We recognise that safeguarding against radicalisation and extremism is no different to safeguarding against any other vulnerability in today's society. At Sidestrand Hall School we will ensure that:

- Through training, staff, volunteers and governors have an understanding of what radicalisation and extremism is, why we need to be vigilant in school and how to respond when concerns arise.
- There are systems in place for keeping pupils safe from extremist material when accessing the internet in our school by using effective filtering and usage policies.
- The DSL has received Prevent training and will act as the point of contact within our school for any concerns relating to radicalisation and extremism. • The DSL will make referrals in accordance with [Norfolk Channel Procedures](#) and will represent our school at Channel meetings as required.
- Through our curriculum, we will promote the spiritual, moral, social and cultural development of pupils.

Child on child, sexual violence and sexual harassment

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 21 of 46

6.14 At Sidestrand Hall School all staff are trained so that they are aware that safeguarding issues can manifest themselves via child on child abuse. This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence and sexual harassment;
- **misogynistic language and behaviours**
- upskirting;
- sexting (also known as youth produced sexual imagery); and • initiation/hazing type violence and rituals.

6.15 We recognise that children are vulnerable to physical, sexual and emotional abuse by other children or siblings. Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important that all staff and volunteers to remember the impact on both the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour. We understand that abuse can occur in intimate personal relationships between children; and that consensual and non-consensual sharing of nudes and semi-nude images and or videos¹(also

known as sexting or youth produced sexual imagery) is a form of child on child abuse.

6.16 We understand, that even if there are no reports in our setting it does not mean it is not happening, it may be the case that it is just not being reported and staff are trained to recognise behaviours early and act promptly to prevent reoccurrence. We recognise that pupils may not find it easy to tell staff about their abuse and can show signs or act in ways that they hope adults will notice and react to. In some cases, the victim may not make a direct report, and this may come from a friend or a conversation that is overheard. Such abuse will always be taken as seriously as abuse perpetrated by an adult and the same safeguarding children procedures will apply in respect of any child who is suffering or likely to suffer significant harm. Staff must never tolerate or dismiss concerns relating to child on child abuse and they will always challenge this. It must never be tolerated or passed off as 'banter', 'just having a laugh' or 'part of growing up'. Doing this can lead to a culture of unacceptable behaviours, an unsafe environment for children and in worst case scenarios a culture that normalises abuse leading to children accepting it as normal and not coming forward to report it. Staff are trained to be aware of high risk times, including at the end of the school day, on transportation and time spent online during out of school hours.

6.17 At Sidestrand Hall School we regularly review decisions and actions and relevant policies are updated to reflect any lessons learnt. We look out for

¹ UKCIS guidance: [Sharing nudes and semi-nudes advice for education settings](#)

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 22 of 46

potential patterns of concerning, problematic or inappropriate behaviour. Where a pattern is identified, we decide upon an appropriate course of action.

- 6.18 At Sidestrand Hall School all staff will reassure victims that they are being taken seriously and that they will be supported and kept safe. Victims will never be given the impression that they are creating a problem by reporting abuse, sexual violence or sexual harassment. Nor will a victim ever be made to feel ashamed for making a report. We will also offer appropriate support to the perpetrator and any other children involved. All child-on-child sexual abuse or harassment allegations will be handled in strict alignment with the latest *Working Together to Safeguard Children* framework.

6.19 All staff will understand that they should follow our safeguarding procedures for reporting a concern if they are worried about child on child abuse. The DSL will respond to any concerns related to child on child abuse in line with guidance outlined in Part five of *Keeping Children Safe in Education* (2026) We will ensure that all concerns, discussions and decisions reached are clearly recorded and any identified actions are followed up.

6.20 We will work with other agencies including the police and Children's Social Care, as required to respond to concerns about sexual violence and harassment. We will seek consultations where there are concerns or worries about developmentally inappropriate or harmful sexual behaviour from the Harmful Sexual Behaviour (HSB) Team as required so that we ensure we are offering the right support to the child(ren).

6.21 Support will depend on the circumstances of each case and the needs of the child, it may include completion of risk assessments to support children to remain in school whilst safeguarding other children and the victim, delivery of early intervention in respect of HSB and/or referral to [The Harbour Centre Sexual Assault Referral Centre](#) (SARC) where a pupil discloses a rape, an attempted rape or a serious sexual assault whether this has happened recently or in the past. The assault does not have to have taken place in Norfolk but the victim must live in Norfolk to access support. The SARC also has a 24/7 helpline 01603 276381 if pupils or staff need to speak to a Crisis Worker for help & advice. Referral forms can be found on [The Harbour Centre website](#). The DSL will always contact the police in cases of rape and serious sexual assault as per the guidance [When to call the Police: a guide for schools and colleges](#), [National Police Chiefs Council](#).

Modern Slavery

6.22 At Sidestrand Hall School we understand that modern slavery encompasses human trafficking and slavery, servitude and forced or compulsory labour. Exploitation can take many forms, including sexual exploitation, forced labour, slavery, servitude, forced criminality and the

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 23 of 46

removal of organs. We refer to the DfE guidance [Modern slavery: how to identify and support victims](#) for concerns of this nature.

Safeguarding responses to children who are absent from education

6.23 At Sidestrand Hall School all staff should be aware of the safeguarding responsibilities for children who are absent from education, particularly on repeat occasions, or for prolonged periods, to help identify the risk of abuse, neglect and exploitation, and to help prevent the risks of them going missing in future.

6.24 At Sidestrand Hall School we adhere to the statutory guidance from the DfE 'Working Together to Improve School Attendance' (2022), following procedures and processes to ensure there is an appropriate safeguarding response to children who are absent from education:

- An attendance register is taken at the start of the first session of each school day and once during the second session;

- We make every effort to contact parents and carers and follow up with the emergency contacts held;
- We hold at least two emergency contact numbers for each of the pupils on our roll wherever possible.
- Staff will alert DSLs to any concerns raised regarding children who are absent from school;
- The Lead DSL is also the Attendance Lead and meets regularly with Pastoral Phase Leads to ensure that each response is thorough and takes into account all the relevant information about individual children;
- We will follow the procedures outlined in our attendance policy including undertaking first day calling and monitoring data to ensure we intervene early in cases of poor attendance and/or unexplained absences.
- When removing a child from roll at the standard and non-standard transition points, we will inform the Local Authority in accordance with statutory requirements and pass on all safeguarding files.

All parents receive correspondence about the importance of school attendance.

First day absence calls are made by the Main Reception Office. Where necessary these are followed up by class teams and then if necessary Phase Leaders. These are recorded on Arbor. Attendance is monitored weekly by Phase Leaders and discussed with Attendance lead, with letters sent to parents if attendance decreases to certain thresholds. Pastoral Teams will also follow the scheme to support families.

Mental Health

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 24 of 46

6.25 At Sidestrand Hall School all staff are made aware, through training, that mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation. Our staff are well placed to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

6.26 We understand that where children have suffered abuse and neglect, or other potentially traumatic adverse childhood experiences, this can have a lasting impact throughout childhood, adolescence and into adulthood. Therefore, through training, staff are aware of how children's experiences, can impact on their mental health, behaviour and education. All staff are aware that if they have a mental health concern about a child that is *a/so* a safeguarding concern, they should take immediate action by passing the information on to a Designated Safeguarding Lead.

In an acute emergency (e.g., immediate risk of severe self-harm or suicide),

staff must bypass internal workflows to call 999 or escort the pupil directly to the nearest Accident & Emergency (A&E) department, informing the DSL simultaneously. For urgent but non-life-threatening mental health concerns, staff will contact 111 or local NHS crisis lines under the guidance of the DSL.

6.27 At Sidestrand Hall School we have a named Mental Health Lead. There are clear systems and processes in place for identifying possible mental health problems and work with other agencies as required to respond to these concerns. School staff are not in a position to diagnose, and instead Designated Safeguarding Leads make reference to the '[Mental Health and Behaviour in Schools](#)' DfE guidance for further support.

Online Safety

6.28 At Sidestrand Hall School all staff are aware that technology is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. We understand that in many cases abuse will take place concurrently via online channels and in daily life. We know that children can also abuse other children online, this can take the form of abusive, harassing, and misogynistic messages, the non consensual sharing of indecent images (Artificial Intelligence-generated content and digitally manipulated imagery (deepfakes), especially around chat groups, and the sharing of abusive images and pornography.

6.29 In line with statutory mandates, Sidestrand Hall School operates as a mobile phone-free environment by default during the school day. Pupils are prohibited from using personal mobile phones, smartwatches, or recording devices on school premises between 8:40 and 15:10. Any deviations from this rule (e.g., for specific medical monitoring or accessibility needs) must be formally approved by the Headteacher and documented in the pupil's individual care plan.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 25 of 46

6.29 As part of the requirement for staff to undergo regular updated safeguarding training, online safety training is also delivered. We will ensure online safety is a running and interrelated theme throughout the curriculum and is reflected in relevant policies, teacher training, the role and responsibilities of the designated safeguarding lead and any parental engagement.

6.30 ICT Manager monitors use of school devices and activity and reports to Lead DSL. The school uses 3 different ways to filter and monitor content on site, and applies the DfE guidance of generative AI and product safety expectations:

- Smoothwall is in place through our Internet service provider and blocks known inappropriate sites. The Schools ICT Manager has the ability to block or unblock additional sites. Blacklisting will be done immediately if a site is

identified as inappropriate. Any whitelisting requests will need approval by a member of SLT

- Google Account Filter. The schools google email accounts are managed by the ICT Manager and have a policy set to forward emails containing inappropriate words or content to the ICT Manager and then on to the DSL as required.

- Keystroke monitoring. The school has in place an alert system on network computers that when inappropriate words are entered, a screen capture is forwarded to the ICT Manager, who will then refer any concern to the class teacher, SLT or DSL as appropriate.

More details can be found in our policies on Online Safety and Mobile and Smart Technology which consider the 4Cs, content, contact, conduct and commerce and reflect the fact that many children have unlimited and unrestricted access to the internet via mobile phone networks (i.e. 3G, 4G and 5G).

6.31 The Governing Body will conduct and formally document an annual review of the school's filtering and monitoring systems. This review will verify that technical safeguards effectively block harmful content—including AI text and image generators—without unreasonably restricting pupils' access to educational material.

6.32 At Sidestrand Hall School we recognise that technology, and risks and harms related to the internet evolve and change rapidly. Therefore, we carry out an annual review of our approach to online safety, supported by a risk assessment (on at least an annual basis) that considers and reflects the risks that children face in our setting. We also communicate with parents and carers to reinforce the importance of children being safe online. We send out E-Safety newsletters to parents to support parents in keeping their children safe on-line within the home and we also teach E-Safety to pupils as part of our Computing curriculum.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 26 of 46

Cybercrime

6.33 We understand that cybercrime is criminal activity committed using computers and/or the internet. It is broadly categorised as either 'cyber enabled' (crimes that can happen off-line but are enabled at scale and at speed on-line) or 'cyber dependent' (crimes that can be committed only by using a computer). We are aware of the [Cyber security standards for schools and colleges.GOV.UK](#).

6.34 If there are concerns about a child in this area, the designated safeguarding lead will consider a referral to the [Cyber Choices programme](#)

which aims to intervene where young people are at risk of committing, or being drawn into, low level cyber-dependent offences and divert them to a more positive use of their skills and interests. It aims to intervene where young people are at risk of committing, or being drawn into, low level cyber dependent offences and divert them to a more positive use of their skills and interests.

Domestic Abuse

6.35 At Sidestrand Hall School all staff are aware that domestic abuse can encompass a wide range of behaviours and may be a single incident or a pattern of incidents. That abuse can be, but is not limited to, psychological, physical, sexual, financial and emotional. Harm can include children witnessing the ill-treatment of others and this is particularly relevant when children see, hear or experience domestic abuse and its effects. We understand that children can be victims of domestic abuse, and this can have a detrimental and long-term impact on their health, well-being, development, and ability to learn. We are aware of the [Norfolk Integrated Domestic Abuse Service \(NIDAS\)](#) and signpost victims to the service. [Norfolk and Suffolk Victim Care](#) are available to offer support where threshold for NIDAS support has not been met.

Sidestrand Hall School formally recognises Child and Adolescent to Parent Violence and Abuse (CAPVA)—also known as Child-to-Caregiver Abuse—as a distinct, complex safeguarding concern. The school acknowledges that CAPVA is rarely an isolated behavioural issue or the result of poor parenting; rather, it is frequently a manifestation of unmet needs, underlying neurodiversity, trauma, or mental health vulnerabilities within the child. The school is committed to a compassionate, non-blaming, and whole-family approach.

Children with special educational needs and disabilities or physical health issues

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **27** of **46**

6.36 At Sidestrand Hall School, as a Complex Needs School, we recognise that children with special educational needs or disabilities (SEND) or certain health conditions can face additional safeguarding challenges such as

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's condition without further exploration;
- these children being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children;

- the potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in managing or reporting these challenges.

6.37 We work to address these additional challenges and consider extra pastoral support and attention for these children, along with ensuring any appropriate support for communication is in place.

6.38 At Sidestrand Hall School we also recognise that pupils who attend Alternative Provision will often have complex needs and due to this we are aware of the additional risk of harm these children may be vulnerable to. Therefore, if the school places a pupil with an alternative provision provider, the school continues to be responsible for the safeguarding of that pupil.

Children who are lesbian, gay, bi, trans and gender questioning (LGBT)

6.39 The fact that a child or a young person may be LGBT is not in itself an inherent risk factor for harm. However, in line with 'Keeping Children Safe in Education', we recognise that children who are LGBT or those perceived by other children to be LGBT could potentially be more vulnerable and therefore we work to reduce any additional barriers faced. We provide a safe space for these children to speak out or share their concerns with members of staff. Through our curriculum, we counter homophobic, biphobic and transphobic bullying and abuse.

6:40 To ensure privacy, dignity, and safety, pupils are prohibited from entering toilets, changing rooms, or sleeping accommodation designated for the opposite biological sex. This restriction applies to all pupils, including those who are gender-questioning. The school provides separate, gender-neutral, single-occupancy facilities for any pupils requiring alternative arrangements.

6:41 Physical education and competitive sports will be organised to ensure safety and fairness. Where physical differences between biological sexes present a safety risk or create a significant competitive unfairness, activities will be restricted to **single-sex groups based on biological sex**, while ensuring all pupils retain equal access to sporting opportunities.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 28 of 46

6:42 While Sidestrand Hall School is committed to providing a supportive and inclusive environment for all pupils, the school adopts a cautious and measured approach regarding requests for social transition. In alignment with national safeguarding principles and clinical guidance, the school recognizes that childhood is a period of rapid development and that choices made at a young age can have significant long-term impacts. Therefore, the school **will rarely agree to a full social transition** (such as simultaneous changes to

name, pronouns, uniform, and facility use). Instead, any requests will be considered on an exceptional, case-by-case basis. This process requires extensive consultation with parents or carers, school safeguarding leads, and, where appropriate, external medical or psychological professionals, ensuring that the primary focus always remains on the holistic well-being and long-term safeguarding of the child.

6.43 Through the implementation of The Rainbow award staff are trained to understand the heightened risk of abuse, including that of intra-familial, and the greater strain that LGBT+ young people are under with regards to mental health. Staff are aware referrals for available support are only made at the young person's request.

Intimate Care

6.44 Intimate care must be provided in a manner that safeguards the dignity, privacy and wellbeing of the child or young person at all times. Pupils should be respected as individuals and encouraged, where appropriate, to participate in and express choice about their own care, helping to promote a positive self image and independence. Staff must communicate clearly with pupils, explaining each step of the process and responding sensitively to any signs of distress or discomfort. Care should be carried out efficiently and consistently, following agreed procedures and documented care plans where applicable, and only by staff who have received appropriate training.

6.45 The provision of intimate care carries safeguarding responsibilities for both pupils and staff. To minimise risk, staff must ensure transparency by making other members of staff aware when and where intimate care is being provided and the nature of the support being given. Direct observation of intimate areas should be avoided wherever possible, with only brief and necessary visual checks undertaken to ensure safety. If a pupil reports pain, discomfort or injury in an intimate area, staff must not investigate visually unless there is an immediate medical emergency; a qualified 3 day First Aider must be contacted in these cases. Where a pupil's needs fall outside an agreed care plan, staff must not proceed without guidance and should consult parents or carers to seek advice and determine whether medical assessment is required. Pupils have the right to raise concerns or complaints, and these must be taken seriously and managed in line with safeguarding procedures.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 29 of 46

7. Records and information sharing

7.1 If staff (including trainees) are concerned about the welfare or safety of any child at our school, they will record their concern either on the agreed reporting form (Appendix 1) or through the setting's electronic system, CPOMS. Any concerns should be passed to the DSL without delay.

7.2 Any information recorded will be kept in a separate named file, in a secure cabinet if a paper system is used and not with the child's academic file. These files will be the responsibility of the Lead DSL. Child protection information will only be shared within school on the basis of 'need to know in the child's interests' and on the understanding that it remains strictly confidential.

7.3 Child protection information will be kept up to date. Each concern logged will include:

- a clear and comprehensive summary of the concern;
- details of how the concern was followed up and resolved;
- a note of any action taken, decisions reached and the outcome;
- A record of the rationale for any decision made.

Records of concern, copies of referrals, invitations to child protection conferences, core groups and reports will be stored on the child's file whether an electronic or paper system is used. All our safeguarding records will include; a chronology, contents front cover and will record significant events in the child's life.

7.4 When a child leaves our school, (including in year transfers) the DSL will make contact with the DSL at the new school and will ensure that the child protection file is forwarded to the receiving school. This will be **within 5 days** for an in-year transfer or within the first **10 days of the start of a new term**. We recognise that not providing information as per the timescales can impact on the child's safety, welfare and educational outcomes.

7.5 We will retain evidence to demonstrate how the file has been transferred; this may be in the form of a written confirmation of receipt from the receiving school and/or evidence of recorded delivery.

7.6 Prior to a child leaving we will consider if it would be appropriate to share any additional **relevant, focused and proportionate** information with the new school or college, in advance, to help them put in place the right support to safeguard this child. **Similarly, when in receipt of information from other schools we will assess risk and create safety /support plans when pupils transfer.**

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **30** of **46**

7.7 Where a parent elects to remove their child from the school roll to home educate, the school will make arrangements to pass any safeguarding concerns to the [Services to Home Educators Team](#) within Norfolk County Council.

8. Working with parents & carers

8.1 Sidestrand Hall School is committed to working in partnership with parents/carers to safeguard and promote the welfare of children and to support them to understand our statutory responsibilities in this area.

8.2 When new pupils join our school, parents and carers will be informed that we have a safeguarding policy. A copy will be provided to parents on request and is available on the school website. Parents and carers will be informed of our legal duty to assist our colleagues in other agencies with child protection enquiries and what happens should we have cause to contact Norfolk Children's Advice & Duty Service.

8.3 We are committed to working with parents positively, openly and honestly. We ensure that all parents are treated with respect, dignity and courtesy. We respect parents' rights to privacy and confidentiality and will not share sensitive information unless we have permission, or it is necessary to do so in order to safeguard a child from harm.

8.4 We will seek to share with parents any concerns we may have about their child *unless* to do so may place a child at increased risk of harm. A lack of parental engagement or agreement regarding the concerns the school has about a child will not prevent the DSL making a referral to Norfolk CADS in those circumstances where it is appropriate to do so.

8.5 In order to keep children safe and provide appropriate care for them, the school requires parents to provide accurate and up to date information regarding:

- Full names and contact details of all adults with whom the child normally lives;
- Full names and contact details of all persons with parental responsibility (if different from above);
- Emergency contact details (if different from above);
- Full details of any other adult authorised by the parent to collect the child from school (if different from the above).

The School will retain this information on the pupil file. The school will only share information about pupils with adults who have parental responsibility for a pupil or where a parent has given permission and the school has been supplied with the adult's full details in writing.

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **31** of **46**

8.6 At Sidestrand Hall School we are working in partnership with Norfolk Constabulary and Norfolk Children's Services to identify and provide appropriate support to pupils who have experienced domestic violence in their household; this scheme is called Operation Encompass. In order to achieve

this, Norfolk Multi-Agency Safeguarding Hub will share police information of all domestic incidents where one of our pupils has been present with the Designated Safeguarding Lead(s). On receipt of any information, the Designated Safeguarding Lead will decide on the appropriate support the child requires, this could be silent or overt. All information sharing and resulting actions will be undertaken in accordance with the '[Norfolk Joint Agency Protocol for Domestic Abuse – Notifications to Schools](#)'. We will record this information and store this information in accordance with the record keeping procedures outlined in this policy.

9. Child protection conferences

9.1 Children's Services will convene a Child Protection conference once a child protection enquiry under Section 47 of the Children Act 1989 has been undertaken and the child is judged to be at continuing risk of significant harm. A review conference will take place once a child has been made the subject of a Child Protection Plan in order to monitor the safety of the child and the required reduction in risk.

9.2 Staff members may be asked to attend a child protection conference or core group meetings on behalf of the school in respect of individual children. Usually, the person representing the school at these meetings will be the Headteacher or DSL. In any event, the person attending will need to have as much relevant up to date information about the child as possible; any member of staff may be required to contribute to this process.

9.3 All reports for child protection conferences will be prepared in advance using the [guidance](#) and [template report](#) provided by the Norfolk Safeguarding Children Partnership. The information contained in the report will be shared with parents before the conference as appropriate and will include information relating to the child's physical, emotional and intellectual development and the child's presentation at school. In order to complete such reports, all relevant information will be sought from staff working with the child in school.

9.4 Clearly child protection conferences can be upsetting for parents. We recognise that we are likely to have more contact with parents than other professionals involved. We will work in an open and honest way with any parent whose child has been referred to Children's Services or whose child is subject to a child protection plan. Our responsibility is to promote the protection and welfare of all children and our aim is to achieve this in partnership with our parents.

10. Safer recruitment

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **32** of **46**

10.1 We will ensure that the Headteacher and at least one member of the Governing Body have completed appropriate safer recruitment training. At all

times the Headteacher and Governing Body will ensure that safer recruitment practices are followed in accordance with the requirements of *'Keeping Children Safe in Education'*, DfE (2026). At least one person involved in conducting an interview will have received safer recruitment training.

10.2 At Sidestrand Hall School we will use the recruitment and selection process to deter and prevent people who are unsuitable to work with children from applying for or securing employment, or volunteering opportunities.

10.3 We require details of all candidate's, present (or last) employment and reason for leaving; full employment history, (since leaving school, including education, employment and voluntary work) including reasons for any gaps in employment and evidence of original academic certificates. We do not accept testimonials and insist on taking up references prior to interview. We will question the contents of application forms if we are unclear about them, and shortlisted candidates will be asked to complete a self-declaration of their criminal record or information that would make them unsuitable to work with children.

10.4 At Sidestrand Hall School we use a range of selection techniques to identify the most suitable person for the post. Structured questions are agreed by the interview panel and any potential areas of concern are explored to determine the applicant's suitability to work with children.

10.5 We will undertake Disclosure and Barring Service checks and other pre employment checks as outlined in *'Keeping Children Safe in Education'* to ensure we are recruiting and selecting the most suitable people to work with our children, including volunteers.

10.6 We will maintain a Single Central Record (SCR) of all safer recruitment checks carried out in line with statutory requirements. A senior member of staff will check the SCR regularly to ensure that it meets statutory requirements. This will also be checked by the Safeguarding Lead Governor termly.

10.7 At Sidestrand Hall School we recognise that safer recruitment is not just about carrying out the right DBS checks and is not limited to recruitment procedures. Therefore, we understand the importance of continuous vigilance, maintaining an environment that deters and prevents abuse and challenges inappropriate behaviour. Further information about all of these processes can be found in our Recruitment and Selection policy.

11. Safer working practice

11.1 All adults who come into contact with our children have a duty of care to safeguard and promote their welfare. There is a legal duty placed upon us to

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 33 of 46

complete full barring checks (DBS) for all people in regulated activity to ensure that all adults who work with or on behalf of our children are

competent, confident and safe to do so. Risk assessments are also required for volunteers not in regulated activity.

11.2 All staff will be provided with a copy of our school's Code of Conduct at induction. They will be expected to know our school's Code of Conduct and policy for positive handling and carry out their duties in accordance with this advice. There will be occasion when some form of physical contact is inevitable, for example if a child has an accident or is hurt or is in a situation of danger to themselves or others around them. However, at all times the agreed policy for safe restraint must be adhered to. A list of staff that have accessed Norfolk Steps training will be kept by the Headteacher.

11.3 If staff, visitors, volunteers or parent helpers are working with children alone they will, wherever possible, be visible to other members of staff. They will be expected to inform another member of staff of their whereabouts in school, who they are with and for how long. Doors, ideally, should have a clear glass panel in them and be left open. **Risk assessments to be devised for any volunteers not in regulated activity.**

11.4 Guidance about acceptable conduct and safe practice will be given to all staff and volunteers during induction. These are sensible steps that every adult should take in their daily professional conduct with children. This advice can be found in ['Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings'](#). All staff and volunteers are expected to carry out their work in accordance with this guidance and will be made aware that failure to do so could lead to disciplinary action.

12. Managing allegations against staff & volunteers

Allegations that may meet the harms threshold

12.1 Our aim is to provide a safe and supportive environment which secures the wellbeing and very best outcomes for the children at our school. We do recognise that sometimes the behaviour of adults may lead to an allegation of abuse being made.

12.2 Allegations sometimes arise from a differing understanding of the same event, but when they occur, they are distressing and difficult for all concerned. We also recognise that many allegations are genuine and there are some adults who deliberately seek to harm or abuse children. We work to the thresholds for harm as set out in *'Working Together to Safeguard Children' (2026)* and *'Keeping Children Safe in Education'*, DfE (2026) below. An allegation may relate to a person who works / volunteers with children who has:

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page 34 of 46

• behaved in a way that has harmed a child, or may have harmed a

child and/or;

- possibly committed a criminal offence against or related to a child and/or;
- behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; and/or
- behaved or may have behaved in a way that indicates they may not be suitable to work with children.

The 4th bullet point above recognises circumstances where a member of staff (including supply teachers) or volunteer is involved in an incident outside of school/college which did not involve children but could have an impact on their suitability to work with children; this is known as transferrable risk.

12.3 At Sidestrand Hall School we recognise our responsibility to report / refer allegations or behaviours of concern and / or harm to children by adults in positions of trust who are not employed by the School to the LADO service directly at ado@norfolk.gov.uk. These are adults such as those in the voluntary sector, taxi drivers, escorts, and fosters carers.

12.4 We will take all possible steps to safeguard our children and to ensure that the adults in our school are safe to work with children. When concerns arise, we will always ensure that the procedures outlined in the local protocol [Allegations Against Persons who Work with Children](#) and Part 4 of '*Keeping Children Safe in Education*', DfE (2026) are adhered to and will seek appropriate advice. The first point of contact for schools regarding concerns and/ or allegation issues (including for supply teachers) is via the Local Authority Education Duty Desk on 01603 307797. A Duty Advisor (not a LADO) will give advice and guidance on next steps. If the advice is to make a referral to the LADO service then the [LADO referral form](#) should be completed. The completed LADO referral form is then sent via e-mail to: LADO@norfolk.gov.uk. See Appendix 4 for further details.

12.5 If an allegation is made or information is received about *any* adult who works/ volunteer in our setting which indicates that they may be unsuitable to work / volunteer with children, the member of staff receiving the information should inform the Headteacher immediately. This includes concerns relating to agency and supply staff and volunteers. Should an allegation be made against the Headteacher, this will be reported to the Chair of Governors. In the event that neither the Headteacher nor Chair of Governors is not contactable on that day, the information must be passed to and dealt with by either the member of staff acting as Headteacher or the Vice Chair of Governors.

12.6 The Headteacher or Chair of Governors will seek advice from the LADO within one working day. No member of staff or the governing body will undertake further investigations before receiving advice from the LADO.

12.7 When using a supply agency, we inform the agency of our process for managing allegations against staff and keep them up to date with any policy developments. Where concerns are raised about an individual and the school is not their employer, we recognise that we still have responsibility to ensure allegations are dealt with properly. In order to achieve this, we will liaise with relevant parties including the LADO to determine a suitable outcome. Whilst the supply agency should be fully involved and co-operate with any enquiries from the LADO, police and/or children's services, we recognise that the School will usually take the lead in conducting an investigation as we have direct access to any affected children and other school staff to collect the facts.

12.8 Any member of staff or volunteer who does not feel confident to raise their concerns with the Headteacher or Chair of Governors should contact the LADO directly via email to lado@norfolk.gov.uk

12.9 Further [information and guidance documents in relation to the LADO process](#), forms, leaflets and the Allegations against Persons who Work/Volunteer with Children Procedures are found on the Norfolk Safeguarding Children Partnership website. Further national guidance can be found at: [Advice on whistleblowing](#). The [NSPCC whistleblowing helpline](#) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

12.10 The School has a legal duty to refer to the Disclosure and Barring Service anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity or would have been removed had they not left. The DBS will consider whether to bar the person. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or HR. The School must also consider whether to refer the case to the Secretary of State (via the Teaching Regulation Agency) if a teacher is dismissed or the setting ceases to use the services of a teacher because of serious misconduct or might have dismissed them or ceased to use their services had they not left first.

Concerns that do not meet the harm threshold

12.11 The term 'low level' concern does not mean that it is insignificant, it means that the behaviour towards a child does not meet the thresholds as stated above. In Norfolk the 'low level' concern process is to consult with the Local Authority Education Duty Desk on 01603 307797. At Sidestrand Hall School we recognise a low level concern to be something which is

- inconsistent with the staff code of conduct, including inappropriate conduct outside of work; and
- does not meet the allegations threshold or is otherwise not considered serious enough to consider a referral to the LADO.

12.12 At Sidestrand Hall School we promote an open and transparent culture in which all concerns about all adults working in or on behalf of the school or college (including supply teachers, volunteers and contractors) are dealt with promptly and appropriately. When third party agencies are involved, safeguarding responsibilities against supply/contracted staff will be shared, but the school will remain responsible for managing the process. Through training, staff are made aware of what low level concerns are and understand the importance of reporting and these types of concerns in writing.

12.13 At Sidestrand Hall School staff report all low level concerns to a member of the DSL Team. If reported to the DSL then the DSL will inform the Headteacher of the concern in a timely fashion. The Headteacher will always be the ultimate decision maker in respect of all low level concerns.

12.14 Through training and induction, we ensure that all staff understand the importance of self-referring, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.

12.15 At Sidestrand Hall School we understand the importance of recording low level concerns and the actions taken in light of these being reported. The records are kept confidential and stored securely. We will review the records we hold to identify potential patterns and take action. This could be through a disciplinary process but also by referring to the Local Authority Education Duty Desk on 01603 307797. Please note, where a child, parent/carer or staff member makes an allegation of harm, this will not be considered as a 'low level' concern without consultation with the Local Authority Education Duty Desk or the LADO service directly.

12.16 We recognise that low level concerns should not be included in references unless they relate to issues which would normally be included in a reference, for example, misconduct or poor performance. However, where a low level concern (or group of concerns) has met the threshold for referral to the LADO and found to be substantiated, it should be referred to in a reference.

13. Use of premises for non-school/college activities

(We do open the school to non-school groups or

organisations) **14. Relevant policies**

14.1 To underpin the values and ethos of our school and our intent to ensure that pupils at our school are appropriately safeguarded the following policies are also included under our safeguarding umbrella:

- Staff Code of Conduct
- Behaviour which includes measures to prevent bullying (including cyberbullying, prejudice-based and discriminatory bullying) • Recruitment & Selection which adheres to Part 3 of [Keeping Children Safe in Education](#).
- Whistleblowing
- Attendance
- Online Safety
- Health and Safety including site security
- Harassment and discrimination including racial abuse
- Meeting the needs of pupils with medical conditions
- Intimate Care
- First aid
- Educational visits including overnight stays
- RSHE

15. Statutory framework

This policy has been devised in accordance with the following legislation and guidance:

- [Working Together to Safeguard Children](#) DfE (July 2026) • [Keeping Children Safe in Education](#) DfE (2026)
 - [Working Together to Improve School Attendance](#), DfE (2022) • [Norfolk Safeguarding Children Partnership procedures](#)
 - [Norfolk Safeguarding Children Partnership Protocol: Allegations Against Persons Who Work with Children](#)
 - [Guidance for Safer Working Practices for Adults who work with Children and Young People in Education Settings](#)
 - [What to do if you're worried a child is being abused](#) DfE (March 2015) • [Information sharing: advice for practitioners providing safeguarding services](#) DfE (September 2026)
 - [The Prevent duty: Departmental advice for schools and childcare providers](#) DfE (October 2022)
 - [The Prevent duty: safeguarding learners vulnerable to radicalisation](#) (October 2022)
-

- [Mandatory Reporting of Female Genital Mutilation- procedural information](#) Home Office (January 2020)
- [Multi-agency practice principles for responding to child exploitation and extra-familial harm](#)
- [Child sexual exploitation: guide for practitioners](#) DfE (February 2017) • [Teaching online safety in school](#) DfE (January 2023)
- [Mental Health and Behaviour in Schools](#) DfE (November 2018) • [Data protection: toolkit for schools](#) DfE (February 2023) • [Promoting the education of children with a social worker](#) (June 2021) • [Preventing youth violence and gang involvement](#)
- [Criminal exploitation of children and vulnerable adults: county lines](#) • [Relationships Education, Relationships and Sex Education \(RSE\) and Health Education](#)

Appendix 1: Draft Recording Form for Safeguarding Concerns

Staff, volunteers, and regular visitors are required to complete this form and pass it to Mick Kelly if they have a safeguarding concern about a child in our school.

Full name of child	Date of Birth	Class/Tutor/Form group	Your name and position in school

Nature of concern/disclosure

Please include where you were when the child made a disclosure, what you saw, who else was there, what did the child say or do and what you said.

Time & date of incident:

Who are you passing this information to?

Name:

Position:

[Ensure that if there is an injury this is recorded (size and shape) and a body map is completed]

[Make it clear if you have raised a concern about a similar issue previously]

Appendix 2: Safeguarding Induction Sheet for new or supply staff and regular visitors or volunteers.

We all have a statutory duty to safeguard and promote the welfare of children, and at our school we take this responsibility seriously.

If you have any concerns about a child or young person in our school, you must share this information immediately with our Designated Safeguarding Lead (DSL) or one of the alternate post holders.

Do not think that your worry is insignificant if it is about hygiene, appearance or behaviour – we would rather you told us as we would rather know about something that appears small than miss a worrying situation.

If you think the matter is very serious and may be related to child protection, for example, physical, emotional, sexual abuse or neglect, you must find one of the designated professionals detailed below and provide them with a written record of your concern. A copy of the form to complete is attached to this and others can be obtained from the School Offices Please ensure you complete all sections as described.

If you are unable to locate them ask a member of the school office staff to find them and to ask them to speak with you immediately about a confidential and urgent matter.

Any allegation or low level concern about a member of staff, a child's foster carer or a volunteer should be reported immediately to the Headteacher. If an allegation is made about the Headteacher you should pass this information to the Chair of the Governing Body. Alternatively, you can contact the Local Authority Duty Desk on 01603 307797. [NSPCC whistleblowing helpline](https://www.nspcc.org.uk/keeping-children-safe/what-to-do/whistleblowing/) is also available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – the line is available from 8:00am to 8:00pm, Monday to Friday or via e-mail: help@nspcc.org.uk.

The people you should talk to in school are:
Designated Safeguarding Lead (DSL): Mick Kelly
Location of office: Middle School - behind library
Contact Number: ext: 281

Deputy Designated Lead: Diana Chadfield
Location of office: Playground – next to Maple classroom
Contact Number: ext 272

Chair of Governing Body: Angela Wrighton
Contact email: chairofgov@sidestrandhall.norfolk.sch.uk

At Sidestrand Hall School we strive to safeguard and promote the welfare of all our children.

Appendix 3: Local Safeguarding Procedures Children's Advice and Duty Service- CADS

Staff responsible: MKe Review frequency: 1 year Approval: FGB Review date: 30/09/2027
Date: 30/09/2026 Page **44** of **46**

Before contacting CADS, please answer the following questions and follow the advice provided:

Can you evidence that the child is experiencing or likely to suffer significant harm?

YES NO

Do you have the consent of the parents/young person to make contact with CADS or have you informed them of your intention to do so?

Inform the parents and/or gain their consent for you to make this contact unless doing so would put the child at immediate risk of harm

Gather all the family's details including dates of birth, current address, current and working contact details and family composition, along with the history and current worries.

Call CADS on the professionals only phone line. This number can be found in the staffroom. Have a discussion with a Consultant Social Worker. Make a record of the discussion held. Follow the advice given by the Consultant social worker. Keep a record for your own agency's safeguarding recording process

NB: The contact number for parents, carers and members of the public is 0344 800 8020.

Have you discussed the child's needs with

your agency safeguarding lead or your line manager?

Discuss the child with your agency safeguarding lead or line manager if available and follow their advice when providing support to the family

Have you carried setting up an Early Help Assessment Plan with the child and their family?

Speak to the parents and the child about your worries and discuss with them how your agency can help and support the children and family. You could carry out an Early Help Assessment Plan or seek Early Help support to assist you in this process.

Where you have carried out an Early Help Assessment Plan which has been reviewed and amended as required - and the child's needs are not being met or in fact have increased, gather the information requested in this form, seek consent from the parent/carers and then contact CADS.

Appendix 4: Advice for schools, colleges and alternative education providers where there are concerns about an adult who works within the setting.
